The Zech Group Structure and Strategy

A wide variety of services in six areas of operation adds up to a strong business group.

The Zech Group GmbH is a strategic management holding company incorporating six divisions with their own actively operating controlling companies. This parent company coordinates the work of the six divisions, develops the overall strategy and formulates the global targets for further development of the entire business group.

The sheer variety of services we offer makes us a competent partner in the sectors Construction, Real Estate, Hotel, Environment/Technology, Industry and International & Consulting.
